## Corrigendum

JIACM 2023 Jan-March, 2023; Vol. 24 (1): Page 49-57. The Review Article - **Approach to A Patient with Tremor**. Name of the first author in this article is to be read as Kamakshi Dhamija insted of Kamikashi Dhamija.

The JIACM invites scientific and historical material of absorbing interest related to clinical medicine from all authors, whether or not Fellows or Members of the IACM. The editorials and articles do not represent the policy of the IACM unless this is specifically mentioned.

Self-addressed, sufficiently stamped envelopes must accompany all unsolicited manuscripts. Otherwise, material found unsuitable for publication will not be returned. The editor does not assume any responsibility for material submitted for publication.

The publication of an advertisement in this journal does not constitute an endorsement of the product by the Indian Association of Clinical Medicine, or by the Editor of the *Journal*. Advertisements carried in this journal are expected to conform to internationally accepted medical, ethical, and business standards.
